A NOTE FROM YOUR EVENT DIRECTOR

As we approach MEDevice Boston 2025, whether you're a seasoned exhibitor or new to our community, your participation is what makes this event a cornerstone for the New England region. We value your partnership and are thrilled to continue building the future alongside you and our MEDevice Community. This year's event is a testament to our collective innovation and service to the MedTech, biotech, and pharma industries, offering a platform for showcasing new developments and fostering collaborative growth. Our 2025 show introduces new initiatives aimed at enhancing the exhibitor experience, focusing on showcasing your business, enabling growth, and peer collaboration for your organization. We remain fully dedicated to our partnerships and our commitment to serving the MEDevice Boston community. Together, let's continue shaping the future of MedTech.

NETWORKING OPPORTUNITIES

COFFEE TALK

Sponsor a coffee talk and enjoy great conversation and a cup of coffee while you connect with peers.

LUNCH & LEARN

Offer your peers the potential for professional development and team building opportunities while enjoying a free midday meal.

INNOVATION SPOTLIGHT THEATER

A dynamic showcase of cutting-edge MedTech innovations and breakthroughs. Experience rapid presentations from visionary startups and industry pioneers, highlighting transformative technologies. Join us to discover the future of healthcare innovation.

START-UP PITCH RECEPTION

Join hundreds of attendees, exhibitors, speakers, and partners for food, refreshing cocktails, live music, and additional opportunities to turn your leads into partnerships.

FIRESIDE CHATS

Join leading MedTech experts for an engaging, informal conversation on the industry's pivotal developments. Our panel will explore a decade of breakthroughs, emerging trends, and future challenges shaping medical technology. A thought-provoking discussion uncovering what's next in MedTech.

EXHIBITOR EXTRAS

Our focus is to connect you with the right attendees, the right businesses, and the right partners to accelerate your business growth. That's why we do extra. Here are a few of the exhibitor extras that you can take advantage of at MEDevice Boston 2025.

Take advantage of these additional opportunities to connect and showcase your products/services:

EVENT DASHBOARD

An online resource that allows you to extend your brand beyond the show floor, enhancing opportunities to connect with attendees and share product/service information to the broader audience.

INNOVATION LAB

Featured innovation hub on the show floor that gets you that extra exposure and brand awareness to your products/services.

EXHIBITOR LEGACY PROGRAM

A free rewards program that allows you to earn additional benefits by committing to our community and exhibiting year after year.

EXHIBITOR SUITE

Designated space on the show floor for you to take a break, relax, connect, and refuel.

SPONSORSHIP OPPORTUNITIES

Maximize your exhibiting experience by promoting your company through our digital and live event sponsorship opportunities.

- Onsite Opportunities
- Digital Presence
- Thought Leadership
- Signage
- Mobile App Advertising

BRINGING INNOVATION TO LIFE THROUGH MEDEVICE IN BOSTON

COMMUNITY

Our **Boston community** consists of over **2,300 suppliers**, OEMs, industry experts and innovative thinkers from local and national companies.

EDUCATION

Take advantage of **getting up-to-date information** on regulatory standards, hot new trends in the industry, and market updates from industry experts. Be a thought leader yourself and share your knowledge with our community through sponsorship opportunities we offer our partners.

PARTNERSHIP

We partner with the **best in the industry, associations, media and industry experts** that make it their job to be our resource in the market. They use their connections to help you stay educated and up-to-date on the latest hot topics and industry trends. We want to thank our industry partners, MassMedic, M2D2, Nemic, *MDDI*, *Design News* and more.

COLLABORATION

You are not alone in this adventure. Our goal is to bring this community of medical device professionals from the **MedTech, biotech, and pharma** industries together to collaborate on the next life-changing medical devices.

COMMITMENT

Commit to **helping the industry and share your innovative products/services** with the community. The people of Massachusetts passion for their state is unparalleled. Their ultimate goal is to make Massachusetts **#1** and their commitment to their people and economy is why they will continue to grow and thrive.

INNOVATION

Currently sitting as the **#3 Medtech Hub in the country** and the **#1 in LifeSciences**, the innovation in Massachusetts is unstoppable. With the large number of exports involved in medical devices, the top research hospitals in the nation, and the hundreds of millions of public and private dollars spent annually on innovation, it is no wonder that the Bay state is a medical research powerhouse.
